Kit Hansen

OXFORD

Brief Contents

Acknowledgments – xi

Abbreviations – xiii

Introduction: questioning assumptions in SLA research – 1

1 Alphabetic print literacy and phonological awareness – 7

2 SLA research with low-literate learners – 21

3 Methodology – 33

4 Noticing recasts: corrective oral feedback on L2 forms – 57

5 Working memory and task effects – 77

6 Literacy level and interlanguage – 97

7 Implications for research and pedagogy – 109

Appendices – 119

References – 123

Author Index – 133

Subject Index – 137

Detailed Contents

Acknowledgments – xi

Abbreviations – xiii

Introduction: questioning assumptions in SLA research – 1

The cost of disregarding social context in SLA
theory-building – 2

The impact of native language literacy on second
language literacy – 3

Summary – 4

Notes – 5

1 Alphabetic print literacy and phonological awareness – 7

Facets of print literacy – 8

Alphabetic literacy and phonological awareness in a native
language – 9

Oral language processing and adult illiteracy – 11

Research on phonological awareness of illiterate adults – 14

A broadening agenda for first language acquisition research – 16

Summary – 19

Notes – 20

2 SLA research with low-literate learners – 21

Low literacy among adolescents and adults – 21

Literacy and short-term memory – 25

Literacy, and implicit and explicit learning – 26

Literacy and corrective feedback – 28

Literacy and the order of acquisition in SLA – 30

Summary – 31

Notes – 32

3 Methodology – 33

SLA research in a refugee community – 33

Research methodology – 40

Summary – 54

Notes – 54

- 4 **Noticing recasts: corrective oral feedback on L2 forms – 57**
 - Recast study on ‘noticing’ – 58
 - Recast study: quantitative analysis – 58
 - Recast study: qualitative analysis – 65
 - Summary – 73
 - Notes – 74
 - 5 **Working memory and task effects – 77**
 - What language processes must memory models account for? – 77
 - Task type considerations – 80
 - Purpose of the elicited-imitation versus recast study – 83
 - Methodology – 84
 - Statistical analysis – 86
 - Results – 86
 - Discussion – 90
 - Summary – 95
 - Notes – 96
 - 6 **Literacy level and interlanguage – 97**
 - Research questions – 99
 - Data analysis – 100
 - Results: grammatical forms used in oral narrative – 100
 - Discussion – 106
 - Summary – 108
 - Note – 108
 - 7 **Implications for research and pedagogy – 109**
 - Implications for existing SLA research agendas – 109
 - A new SLA research agenda: Studying SLA and L2 use in social context – 112
 - Implications for pedagogy – 116
 - Call for research – 117
 - Notes – 118
- Appendices – 119*
- References – 123*
- Author Index – 133*
- Subject Index – 137*
